

Waveller FBEM

End User License agreement

May 11th 2015

Read the terms and conditions of this license agreement before copying, installing or using the Waveller FBEM software. By copying, installing or using the Waveller FBEM you accept the terms of this agreement.

Definitions

1. Supplier means Kuava Oy, a corporation established under the laws of Finland, business identity code 2086547-4, VAT-code FI20865474 and having its office at Microkatu 1, 70210 Kuopio, Finland
2. Licensee means you, whether an individual or an entity, to whom the Supplier grants the License, and who is responsible for complying with the obligations of the License, and ensuring that anyone permitted access to the Deliverable also complies with such obligations
3. Deliverable means the Waveller FBEM software including libraries and accompanying documentation
4. Manufacturer means the Supplier or third party to whom the intellectual property rights in the Deliverable belong
5. Computer means either a single physical hardware system containing a single motherboard running an operating system, or a virtual machine (or such operating system-level virtualization container) running an operating system
6. Site means a single geographic location of Licensee's operations
7. License Option means the specific rights under which Licensee may install and use the Deliverable related to the supplied license key file ("Annual License" for a single Computer for 365 days, "Perpetual License", for a single Computer for perpetual use, "Annual Site-License" for multiple Computers at a Site or controlled from a Site for 365 days and "Perpetual Site-license" for multiple Computers at a Site or controlled from a Site for perpetual use, "Test License" for a single Computer for 14 days).

Delivery and installation

The Licensee downloads the Deliverable from Supplier's web-page. The Licensee is responsible for the downloading and installation of the Deliverable and the license file. The license file is transferred to Licensee by email.

The Licensee shall at its own expense prepare the operating environment for the Deliverable in conformity with the Supplier's instructions.

Copyright

The Deliverable is owned by the Manufacturer(s) and is proprietary in nature. The Deliverable is protected by Finnish copyright law as well as copyright laws of United States and international treaty provisions. You may not copy any of the printed materials accompanying the Deliverable.

License grant

The Deliverable is licensed, not sold. The Supplier grants to Licensee a non-exclusive and non-assignable license to:

1. Install and use the Deliverable solely on Computers controlled by Licensee in accordance with the acquired License Option.

2. Provide access to the Deliverable on Licensee's intranet, provided it is not accessible over the open Internet.

New versions

New versions of the Deliverable may be offered to the Licensee and shall be subject to a separate agreement between the Supplier and the Licensee.

License restrictions

Licensee is prohibited to and shall not, and shall not permit any Third party to:

1. Modify or create any derivative work of the Deliverable;
2. Adapt, translate, copy or convert all or any part of the Deliverable in order to create software, a principal purpose of which is to perform the same or similar functions as all or any part of the Deliverable or to replace any component of the Deliverable;
3. Rent, lease, loan or time share the Deliverable;
4. Disassemble, decompile, reverse engineer the Deliverable, or any portion thereof, or attempt gaining access to its method of operation or source code;
5. Sell, license, sublicense, provide access, distribute or otherwise transfer (whether by sale, exchange, lease, gift, or otherwise) all or any part of the Deliverable, or any License or other rights to the Deliverable or to any part of it, in part or in whole, to a Third Party
6. Disclose or transfer the license file to a Third Party, or allow them to be used by a Third Party; or
7. Use results produced by the Deliverable for commercial purposes while using Test License.

License term

This Agreement shall continue until the termination by following:

1. Annual Licenses: Each Annual License will expire automatically and the Deliverable will stop operating after 365 day period, unless Licensee renews its License and licence file by remitting the then-current annual License fee and provided the Licensee remains in compliance with the terms of this Agreement.
2. Perpetual Licenses: Licensee shall have the right to use the Deliverable indefinitely, subject to the compliance with the terms of this Agreement.

The Supplier may terminate this Agreement and all Licenses granted hereunder if Licensee breaches any material term of this Agreement, including failure to pay any License fees due and Licensee has not cured such breach within thirty (30) days of written notification.

The Licensee may terminate this License at any time, for any reason.

Licensee shall not be entitled to any refund if this License is terminated for any reason. Upon termination for any reason, Licensee shall promptly provide written certification of destruction of the Deliverable.

Disclaimer of support and warranty

To the maximum extent permitted by applicable law, the Manufacturer(s) exclude express or implied warranties of any kind, including without limitation, merchantability or fitness for a particular purpose with regard to the Deliverable and/or the accompanying written materials. Furthermore, the Supplier makes no warranty that exercise of the rights granted under this agreement does not infringe or may not cause infringement of any intellectual property rights owned or controlled by third parties.

Limitation of liability

In no event shall the Manufacturer(s) be liable for any damages whatsoever (including without limitation, damages for loss of business profits, business interruption, loss of business information, or any other pecuniary loss) arising out of the use of or inability to use the Deliverable, even if the Manufacturer(s) has been advised of the possibility of such damages.

Assignment and amendments of the agreement

The Licensee may not assign or transfer the agreement, either wholly or in part, without the written consent of the Supplier. Such consent shall not be unreasonably withheld if the assignee undertakes in writing to comply with the terms and conditions of the agreement and the assignment is to a company belonging, according the Finnish Accounting Act, to the same group of companies as the party, or is made in connection with the transfer of business operations.

Applicable law and settlement of disputes

The agreement shall be governed by the laws of Finland without giving effect to any choice or conflict of law provisions.

Any dispute, controversy or claim arising out of or relating to the agreement shall be finally settled by arbitration in accordance with the Arbitration Rules of the Central Chamber of Commerce of Finland. The Arbitration proceedings shall be held in Helsinki, Finland. The language of the proceedings, documentation and award shall be English.
